

Bold border = part of Stage 1: CIFAR-100 · ResNet-50 and ViT-B/16, ImageNet-pretrained and random init · real-only, RandAugment, Stable Diffusion with class prompts, Stable Diffusion + LoRA · ratio 1:1 · 3 seeds. Later stages add the other datasets, classifiers, conventional augmentations, generators, ratios, the COCO tasks and the hybrid study.

Dashed arrow: evaluation only, not used for training.
